GHOST?

Gh...

唔...

唔...

Heaven's Gate
only read her
living memories

哇

USE YOUR
ECHO ACT TO
FLY AHEAD
AS A
PROBE!

USE YOUR
ECHO ACT
KOICHI!

呀

it was
her!

what blocked
echo act from
getting in the
air was

Stop talking
just fly up

哇

This is the
bridge
between living
and the dead
world

you guys
are compatible
with my wave
length, so you
can come in

You entered the
place I died 15
years ago...

HURRY
AND RUN
KOICHI!

啊

Why is there
a wall in
the sky!?

what kind
of wall
is this?

!?

Koichi!

嗯?
?

What you
doing on the
floor!

you...
your body
flew to
the sky...
didn't
feel it?

啊!
!

唔!

唔!

ガッ!

ガッ!

嗯?
?

!?

啊

you guys must be mistaken!

fight?

How do we fight against a ghost?

Ghost.....

we are not enemies

Don't treat me like a demon! I am not trying to hurt you guys, You don't have to worry!

Wait!

Please don't take control of my body!

you hear that? the ghost said "we are not enemies"

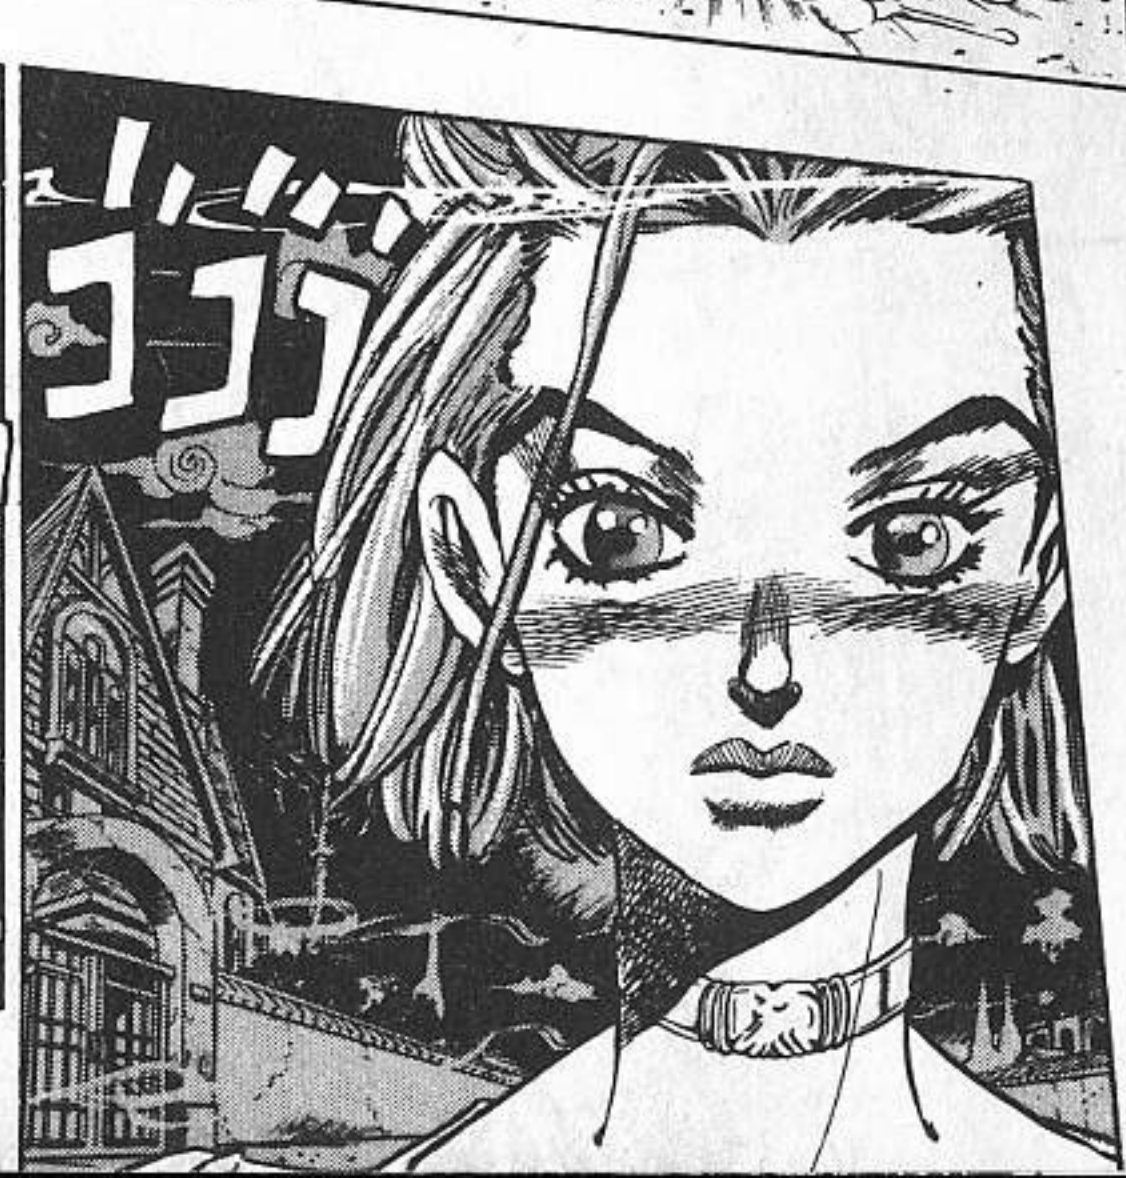

not enemy?

這

這個

There is only 1 way to get out of here

Only I know it.

I am not kidding

I flew up?

why is my echo on the floor?

唔!

哇

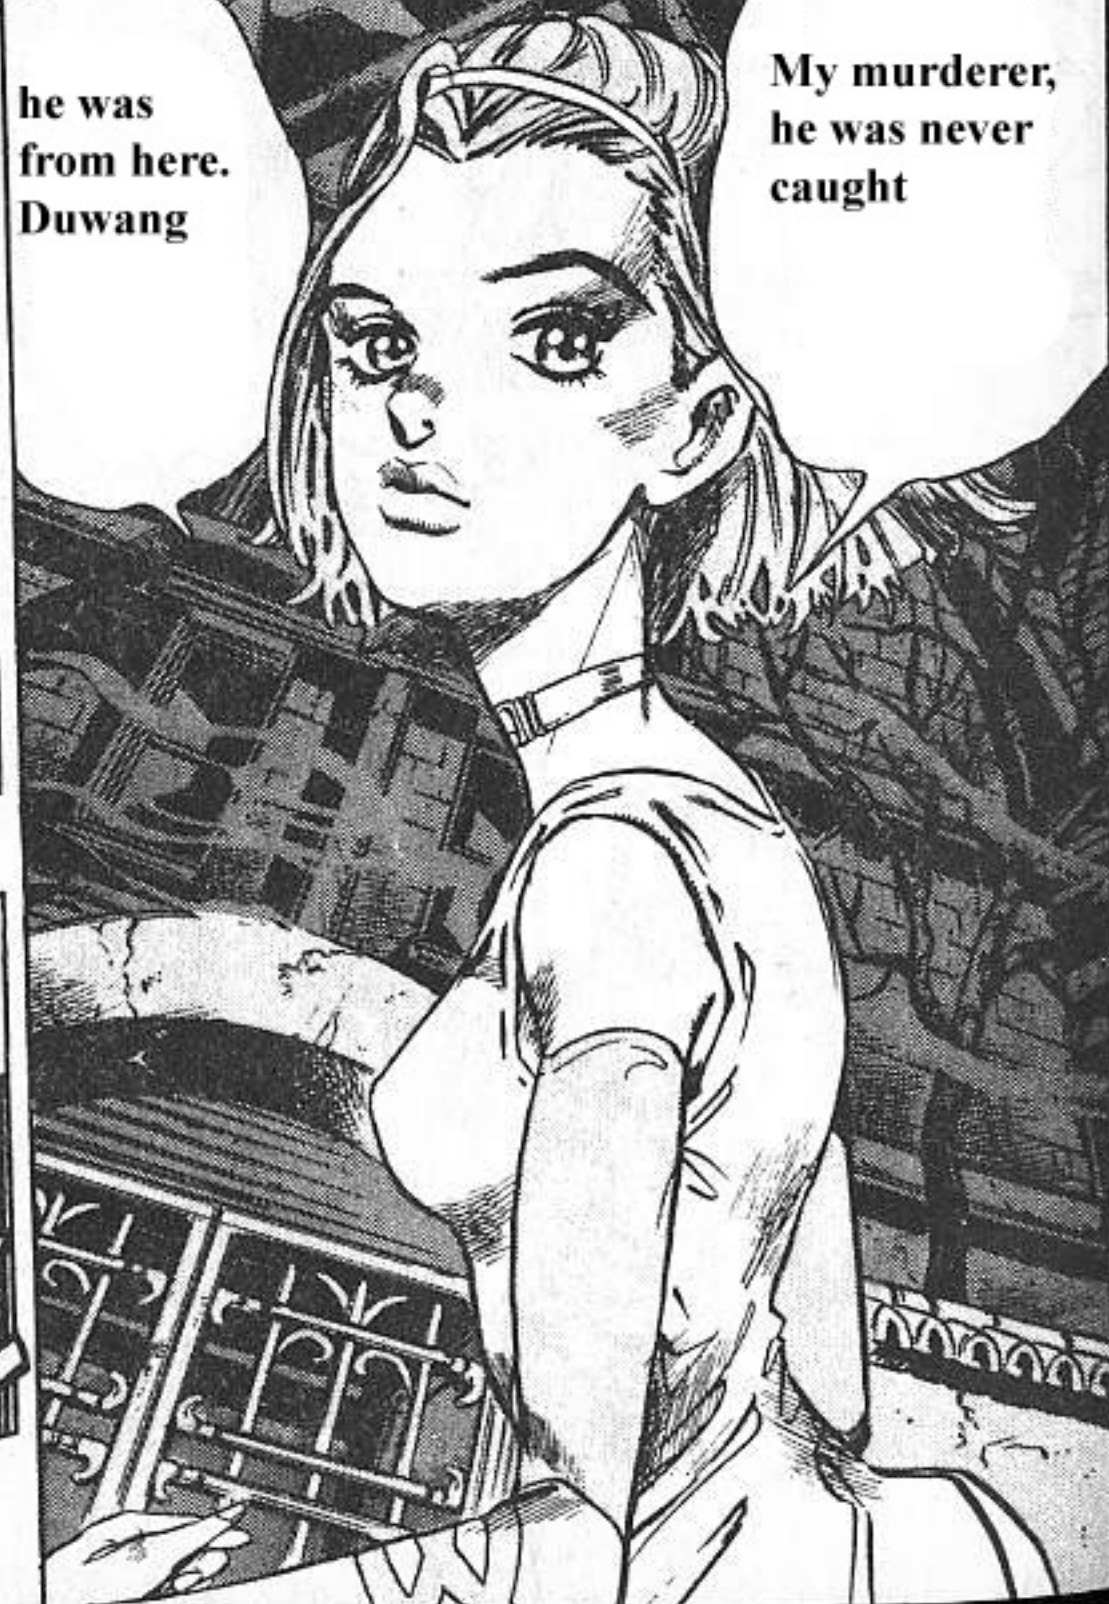

I was trying to escape in the dark

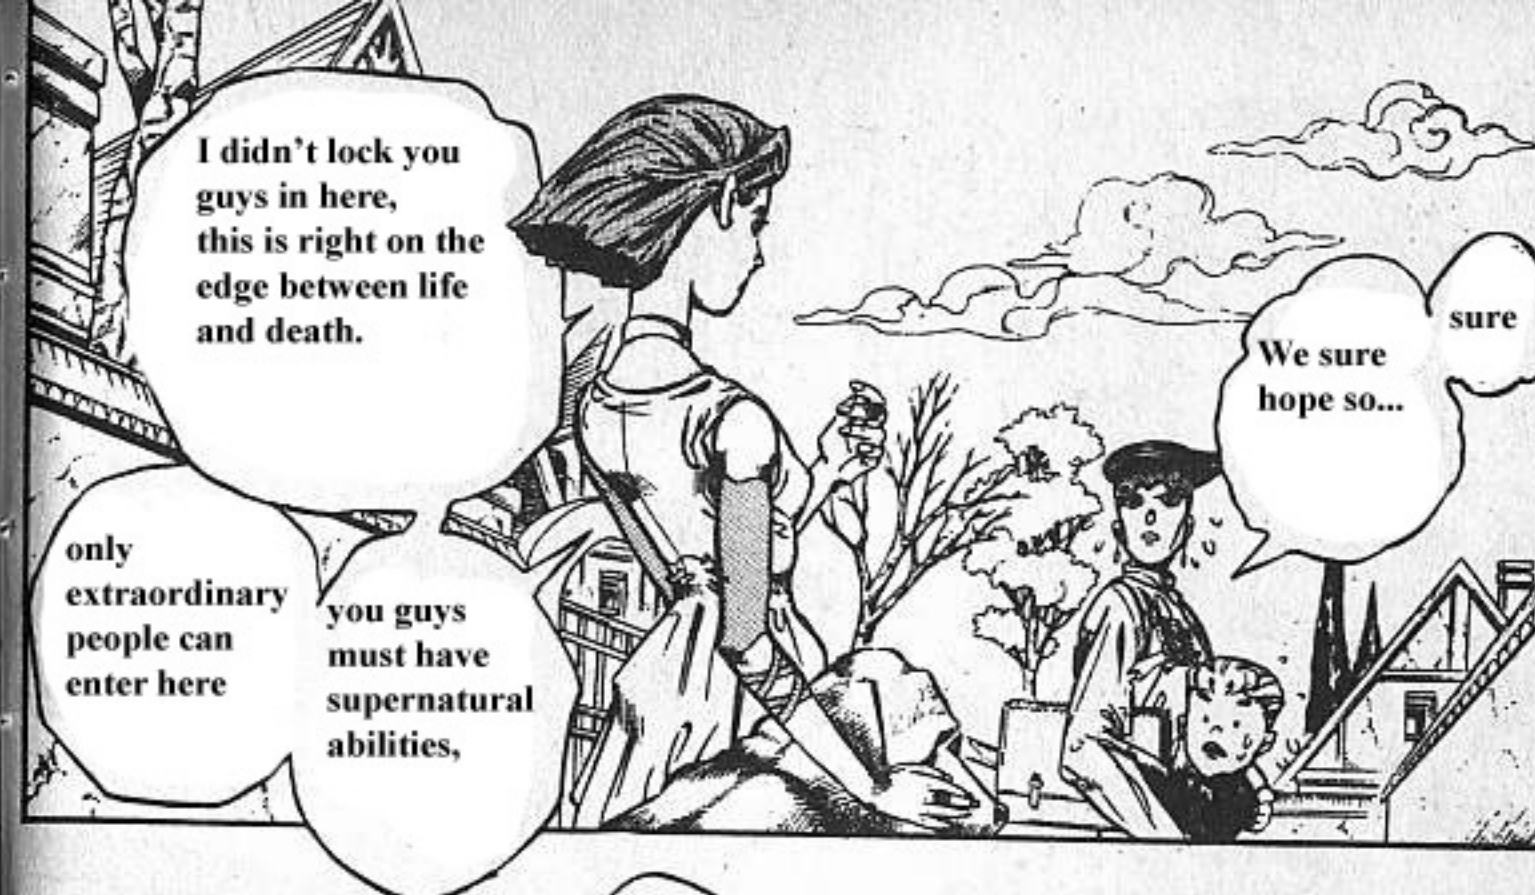

before I can get a good look at his face, I got a cut on my back

he was from here. Duwang

My murderer, he was never caught

I didn't lock you guys in here, this is right on the edge between life and death.

only extraordinary people can enter here

you guys must have supernatural abilities,

sure We sure hope so...

you are really not the enemy?

I don't know...

is there anything like this

edge of the world?

It's what I said just now, the story about us getting killed

but, you have to listen to my story.

Why do you worry so much? if you want to get out of here, I will tell you how.

story?

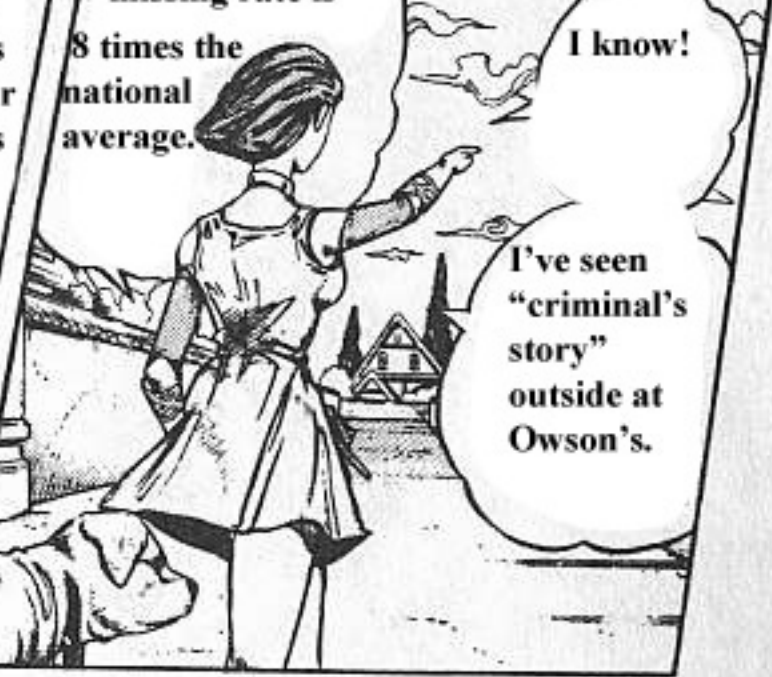

THEY ALL HAVE
THE SAME
WOUND
AS ME!

BECAUSE I CONSTANTLY
SEE THOSE GIRLS' GHOSTS
FLYING BY !!

I am sure
he killed them!

I can't say
he did it all
but for girls
who died for
no obvious
reasons.

but duwang's
teenage girl
missing rate is
8 times the
national
average.

I know!

I've seen
"criminal's
story"
outside at
Owson's.

HEY! DON'T LIE! YOU HAVEN'T
SEE THE KILLER YOURSELF AND IT'S
BEEN 15 YEARS, HOW DO YOU KNOW
HE'S STILL IN DUWANG AND HOW
CAN YOU BE SURE HE IS STILL
KILLING?!

WAIT! YOU MEAN
THERE ARE CONSTANT
KILLINGS HAPPENING
IN DUWANG? EVEN
TODAY?

this is terrible.
this is the dark
side of Duwang.

there have
been innocent
teenage girls
killed for the
past 15 years

the town
of Duwang

where I
grew up.

Only if that killer is
caught, Duwang's
"killers' town" name
can be erased!

Otherwise there will
be more innocent lives
lost! I am here not able
to do anything but watch.
Who's he planning to
kill now?!

Must stop that
killer from
killing again!

so deep....

唔

THIS...

I can't fly up in to
the sky and talk
to them, but I can
see them

I know how
that guy
kills

THIS MUST
BE DONE!!

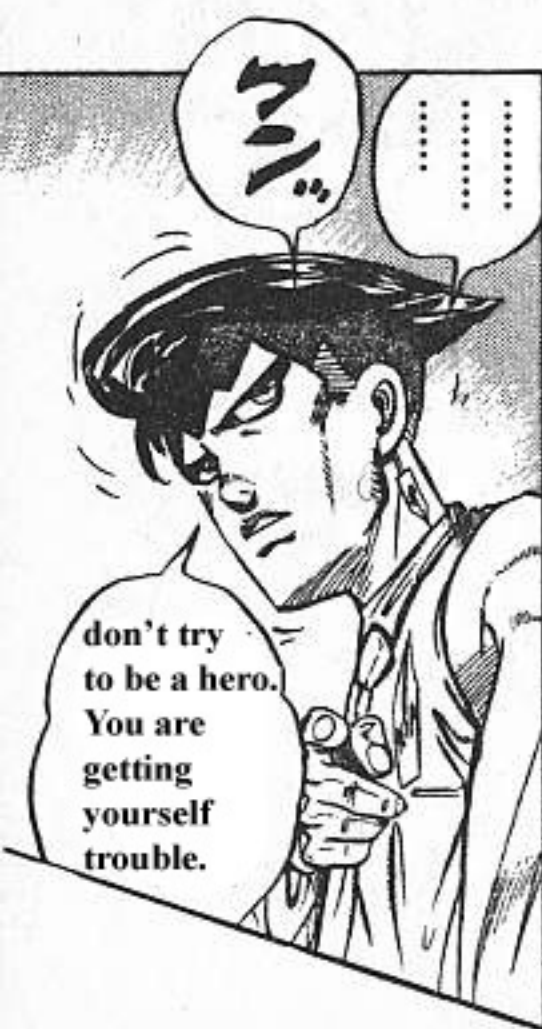

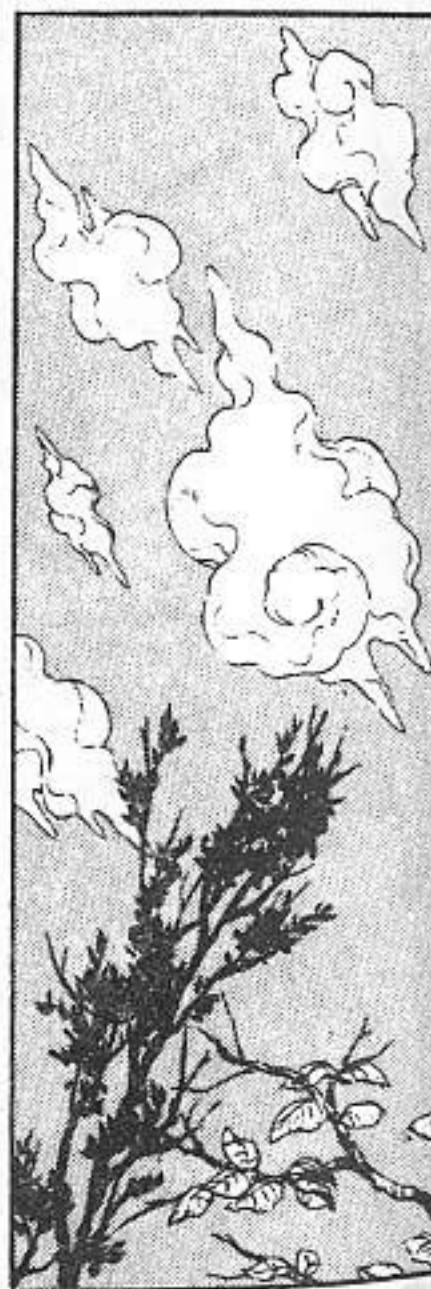

YOU LIVING PEOPLE
MUST TRY TO
GET DUWANG'S
PEACE FROM BACK
IN THE DAY AND
ITS DIGNITY
BACK!!

understand
this... but
I am finished
with my
story.

I don't
know if
you guys

don't try
to be a hero.
You are
getting
yourself
trouble.

I am very
surprised but
I will do my
best to help!

hope that
killer is
not a stand
user....

I understand
you.

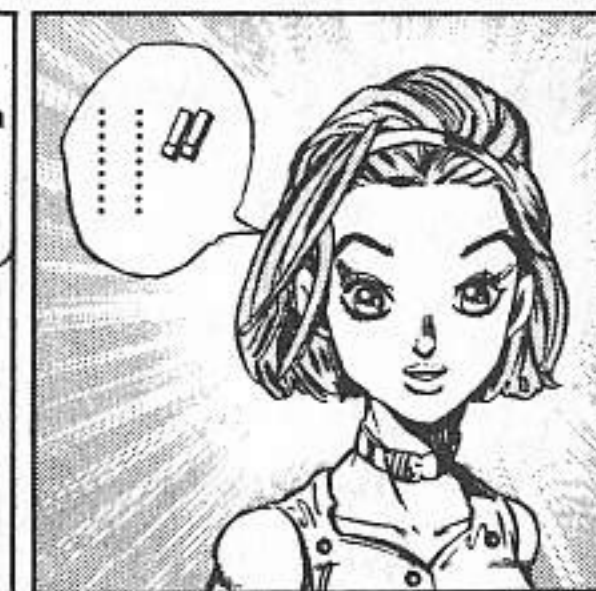

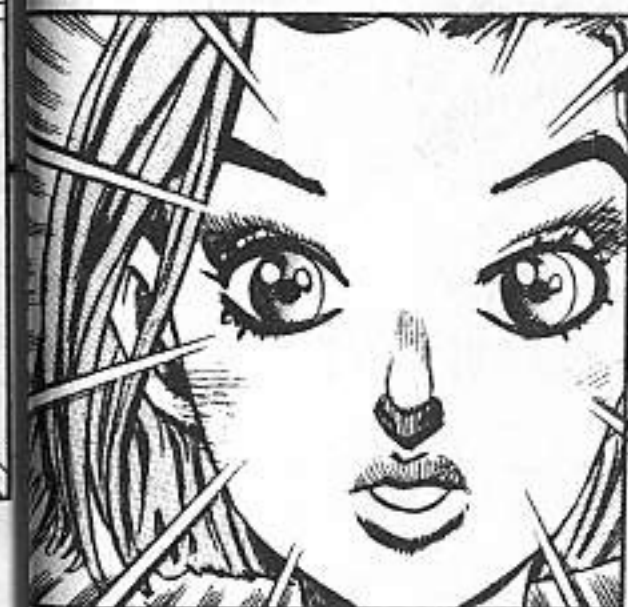

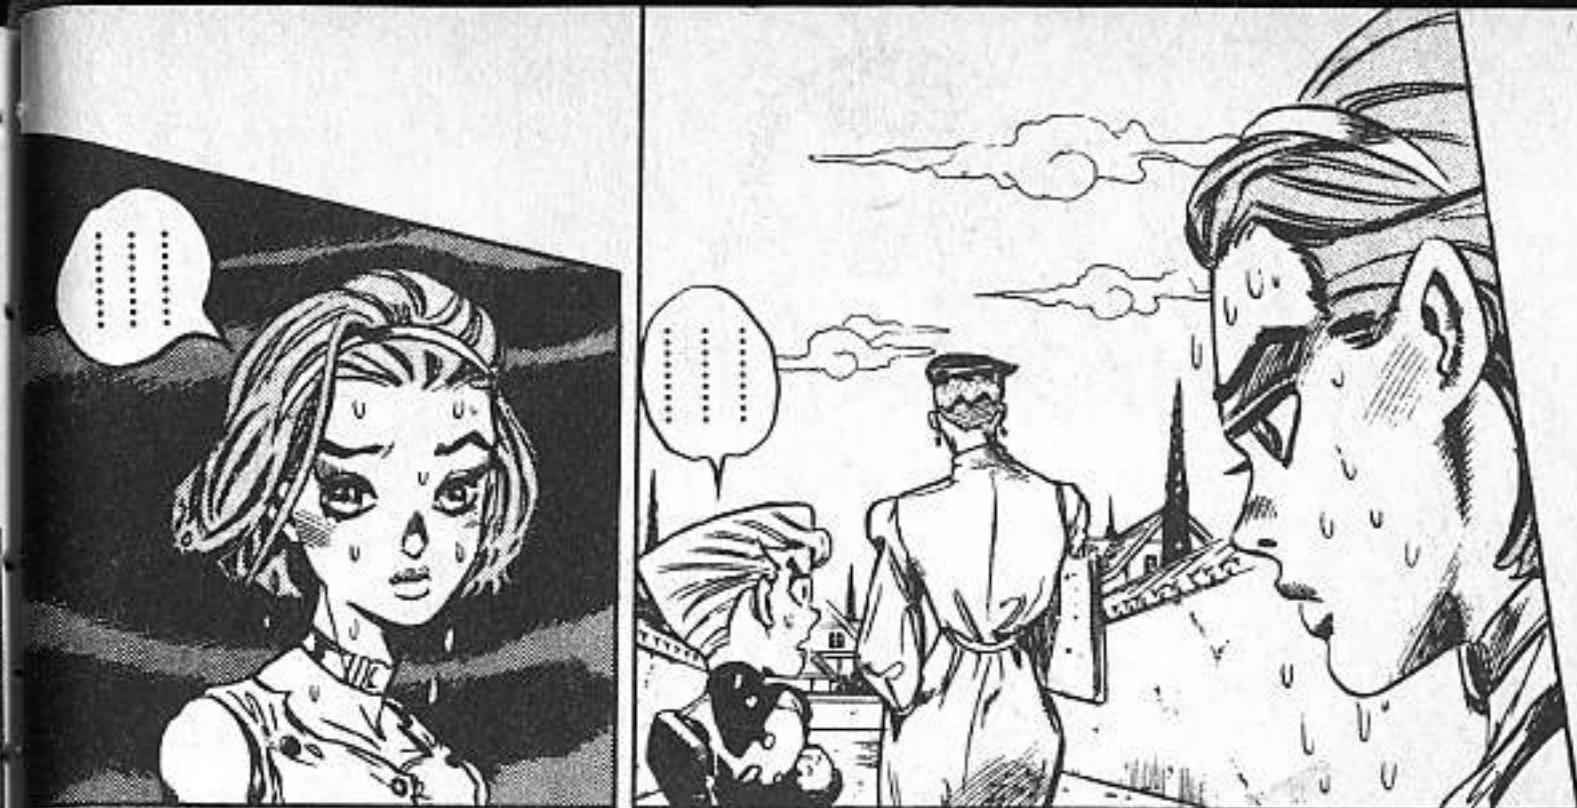

I will
see what
I can do!

岸邊露伴的冒險

之其④

Rules?

In the meantime,
you must never
look back

after that mail
box, go left
for about 20
feet, you
should see the
exit

The exit is
right ahead

let's not talk about
my muder,

嗯
?

I was even
worried that
I might not get
out of here ever.

Great!

Koichi!

Before you
go, I must tell
you the rules

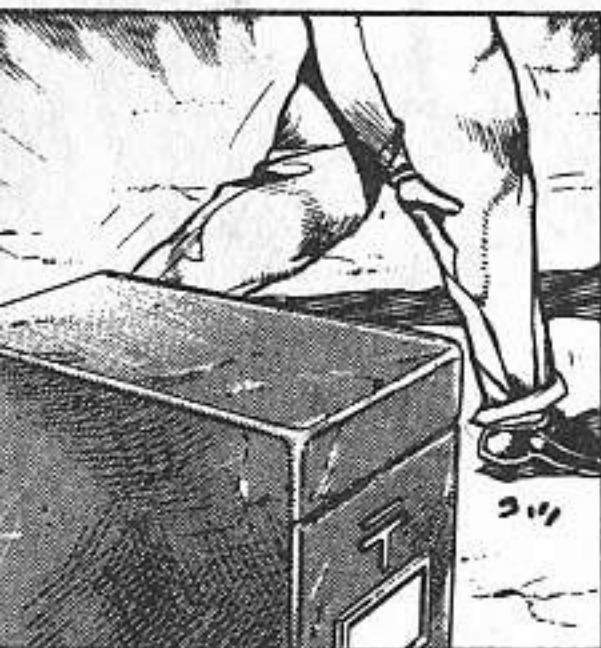

exit!

where?

turn left
right
there.

where is
it?!

*「ヒタリ」即腳步聲「叭答」！

*「セハアアア」即「哈歌」！

I can't stand this!

that place with light, that is the exit!

嗯!!

something sticky and warm....

on my neck this time!

那是

バキバキ!

Mr. Kishibe, let's run for it!!

Don't run! you will fall!

呀!

If you don't turn back, they can't do anything

It might be sound, voice or wind, they are trying to lure you into the death world

don't worry about it!

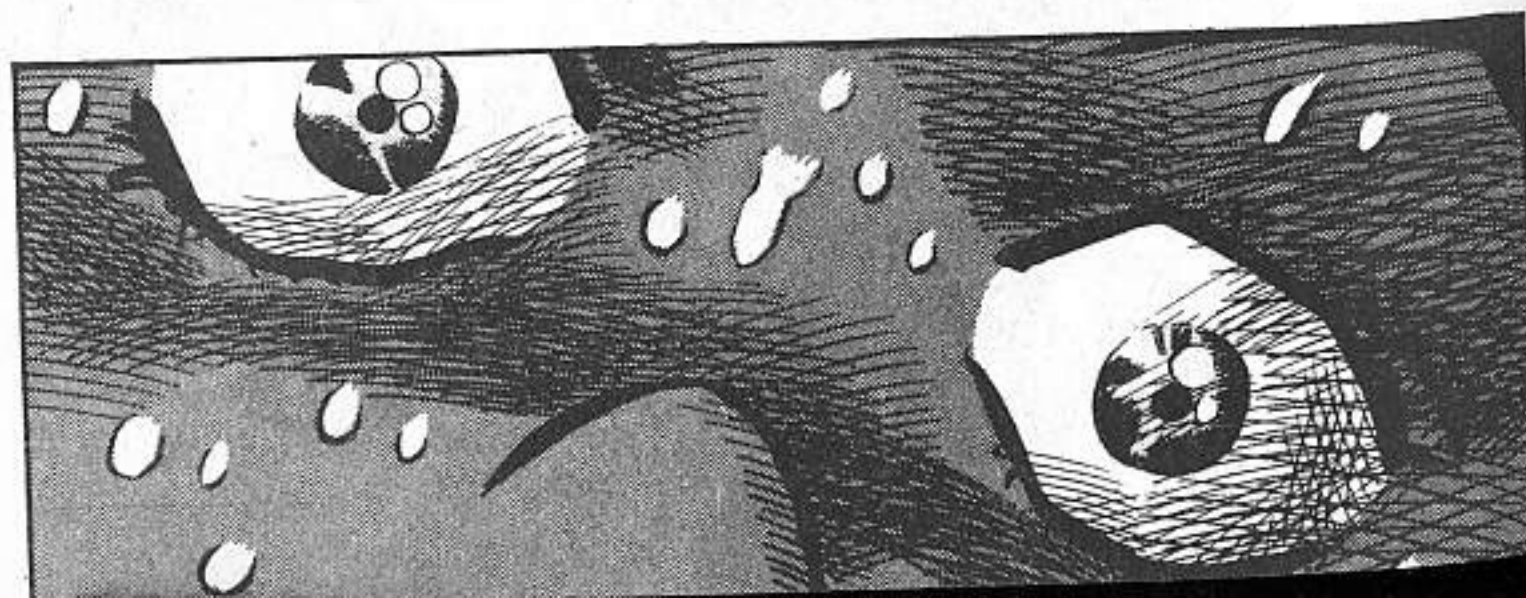

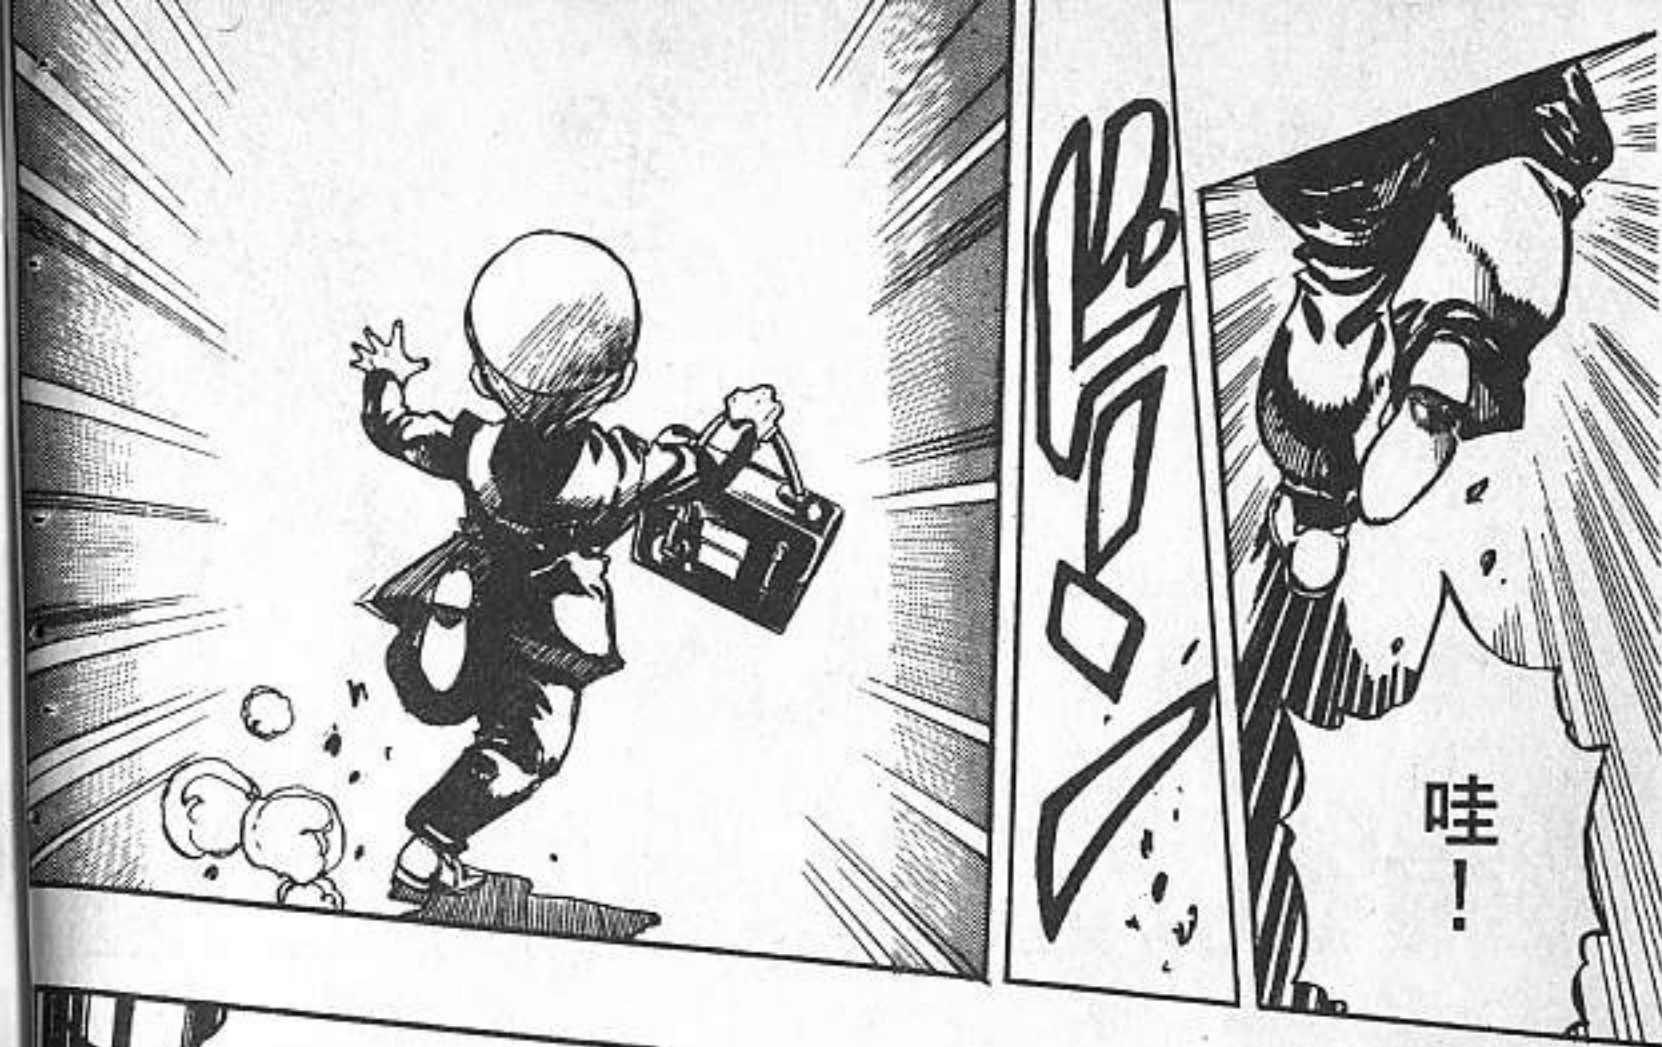

SOMETHING IS BREATHING BEHIND MY BACK!

also behind me...

right behind me

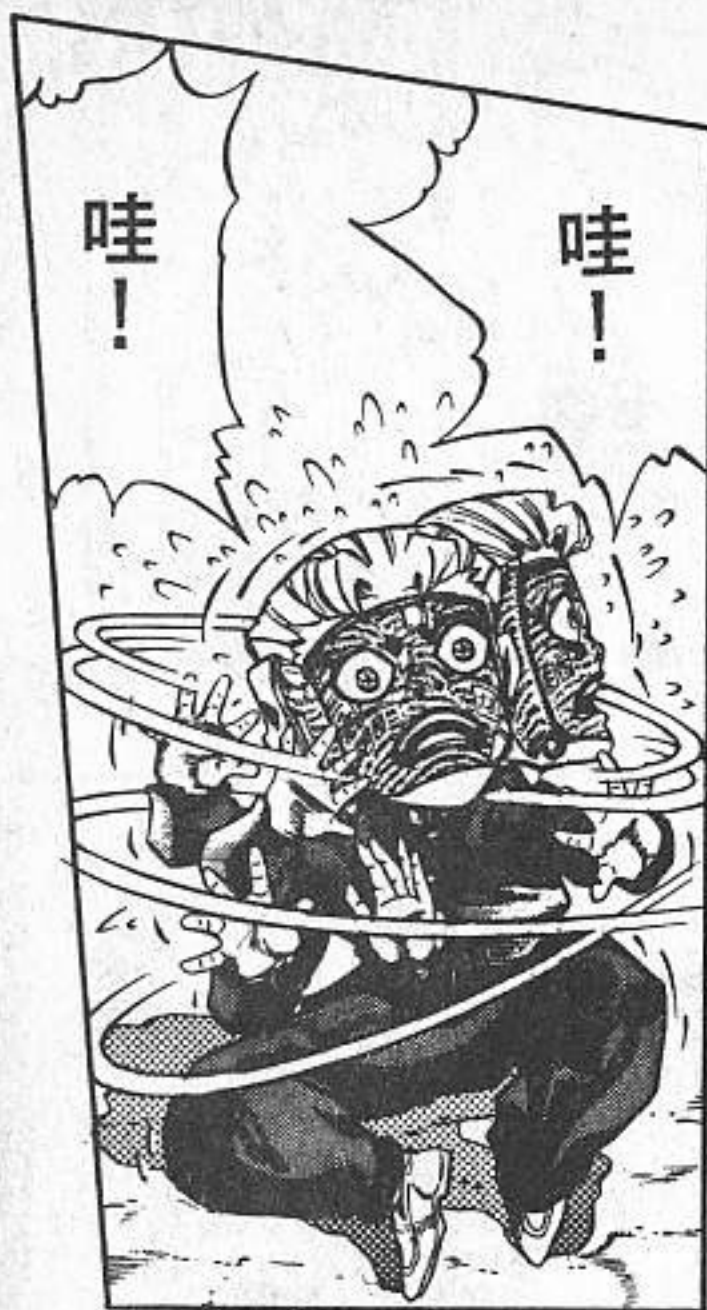

can't see

what is that? can you see anything from where you are at?

啊 哇
啊 啊
啊 啊
啊 啊
!

哇!

哇!

But if he
doesn't see
what's behind.
he should be
alright,
right?

Stay with
me, Koichi!

see.....

I am not
sure how
this works..

Koichi

YOU DIDN'T
SEE ANYTHING
AND FLEW OUT!

HEAVEN'S
GATE!

when I
draw out
the situation
you can
see what
happened...

it's alright
Koichi,
calm
down...

哇!

Reimi Sugimoto.....

but... forget it...

Make me feel very close to her...

That little girl calls me little Rohan...

little Koichi

little Rohan

to see me

You can come anytime...

and story about that killer also frightening

yea...

she said we can see her anytime, sounds pretty scary...

because she was trying all these 15 years to tell somebody there is a killer out there, trying to help the living

I really respect the lifestyle of that ghost

I really feel grateful

You guys were willing to listen to me...

Duwang's new point of interest: the ghost alley from Duwang station going toward the business district, get off at the 11th stop, there will be a alley beside Owson geocery store, most people don't pay any attention. Don't get lost there!

so not helpful

then it means there are no Mishimas around...

you better forget it.

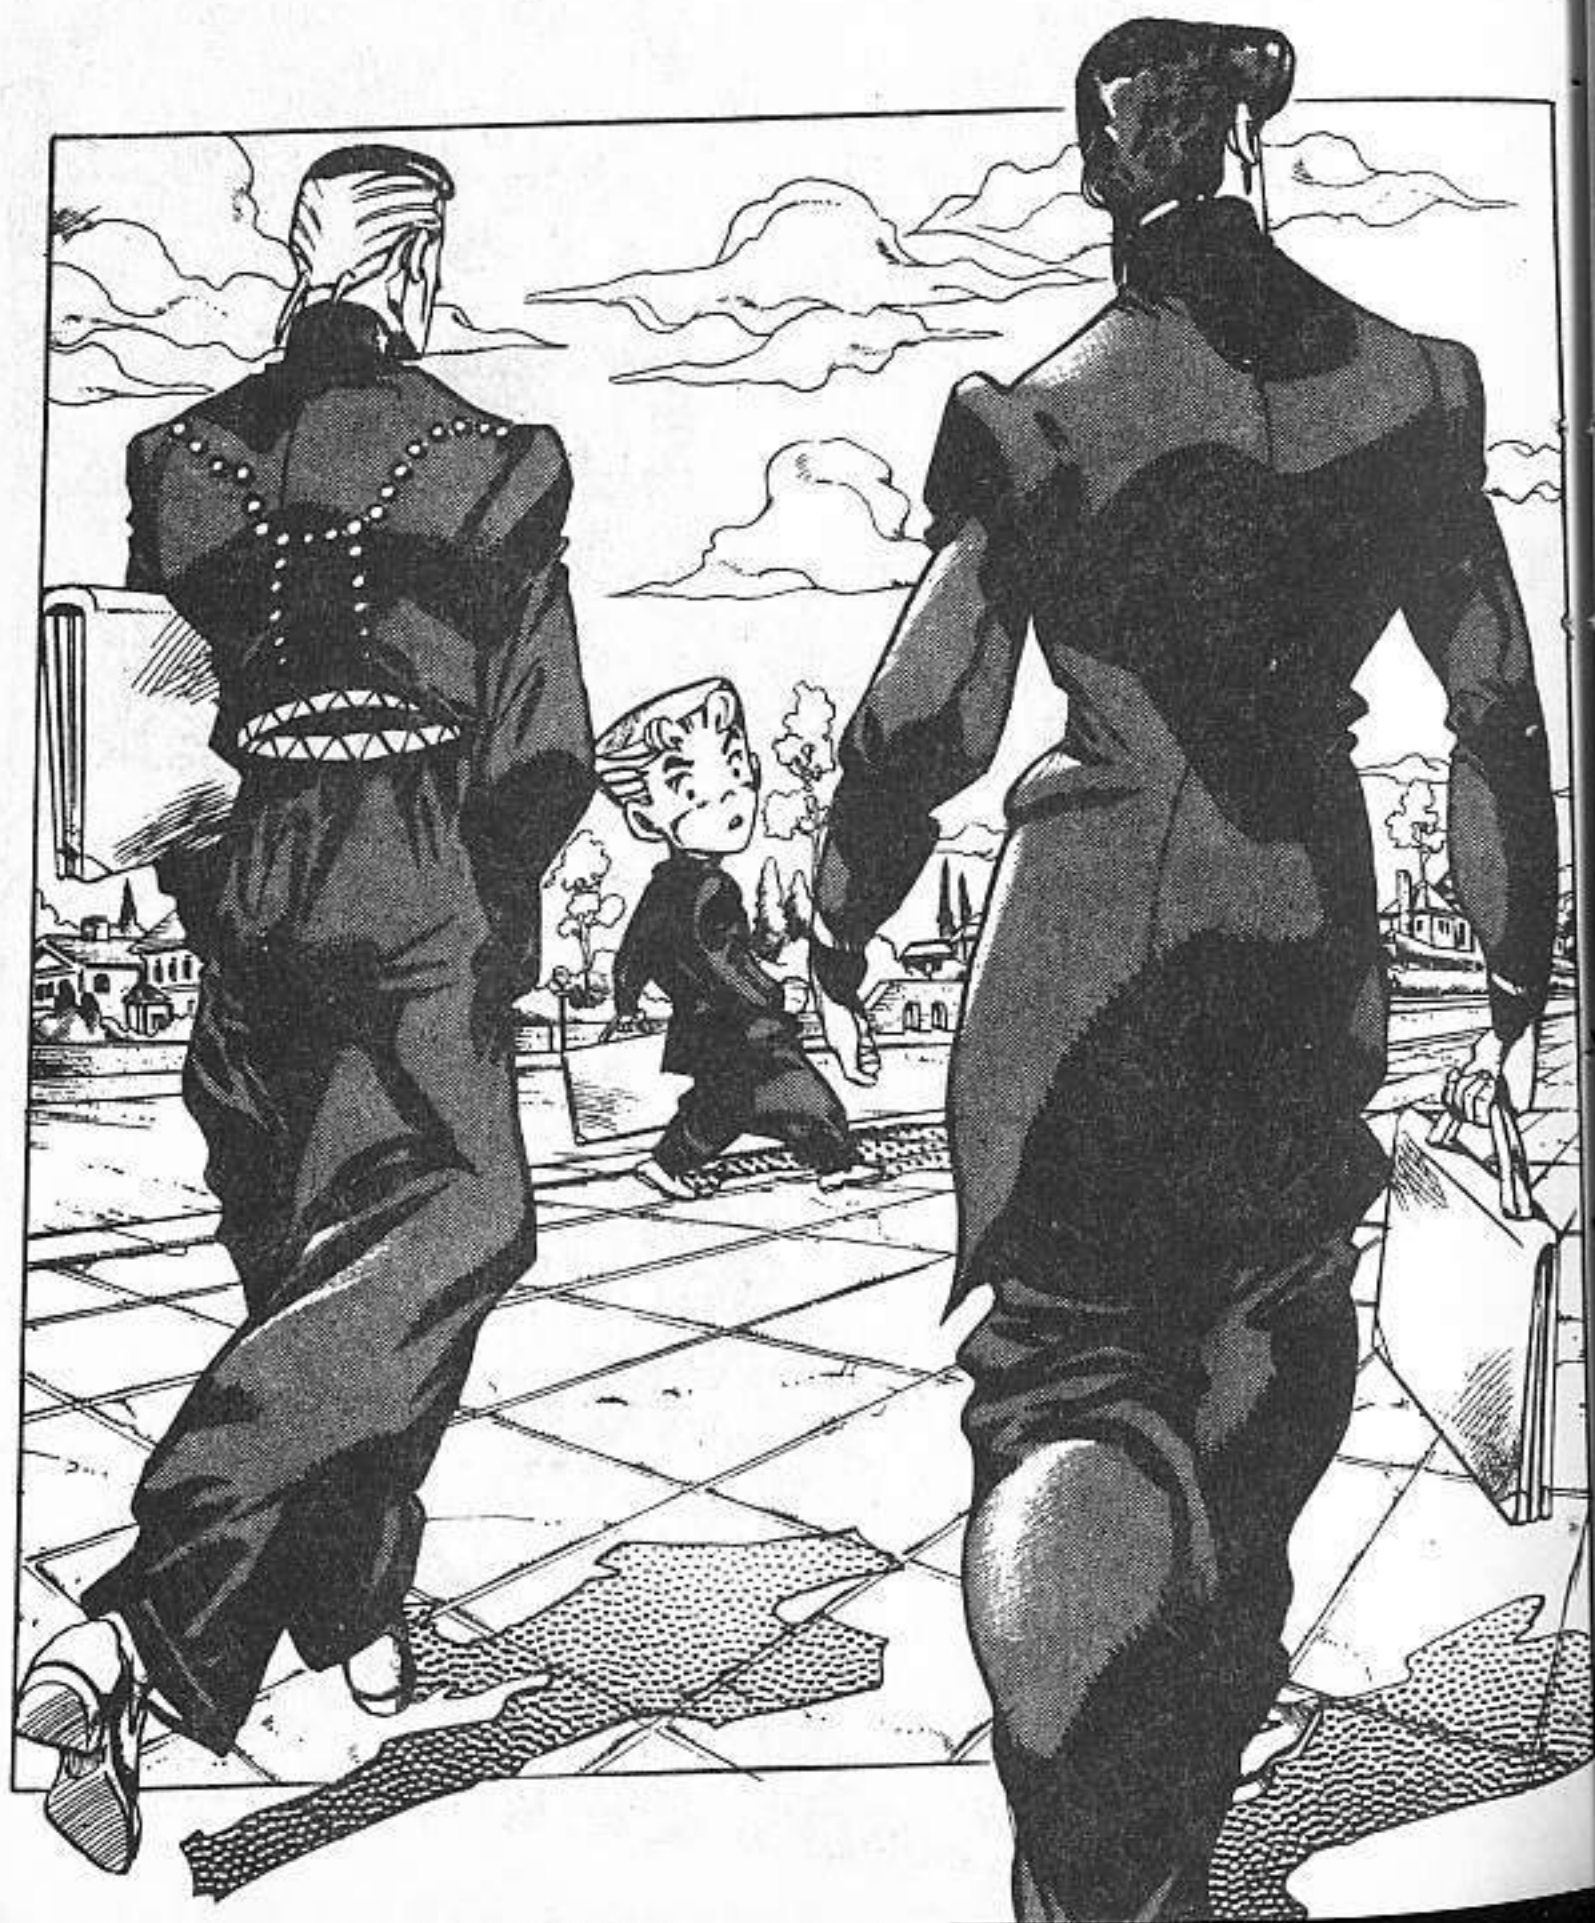

not on the map?

city map doesn't show....

excuse me... Do you know any Mishimas living around here?

岸邊露伴的冒險

之其⑤

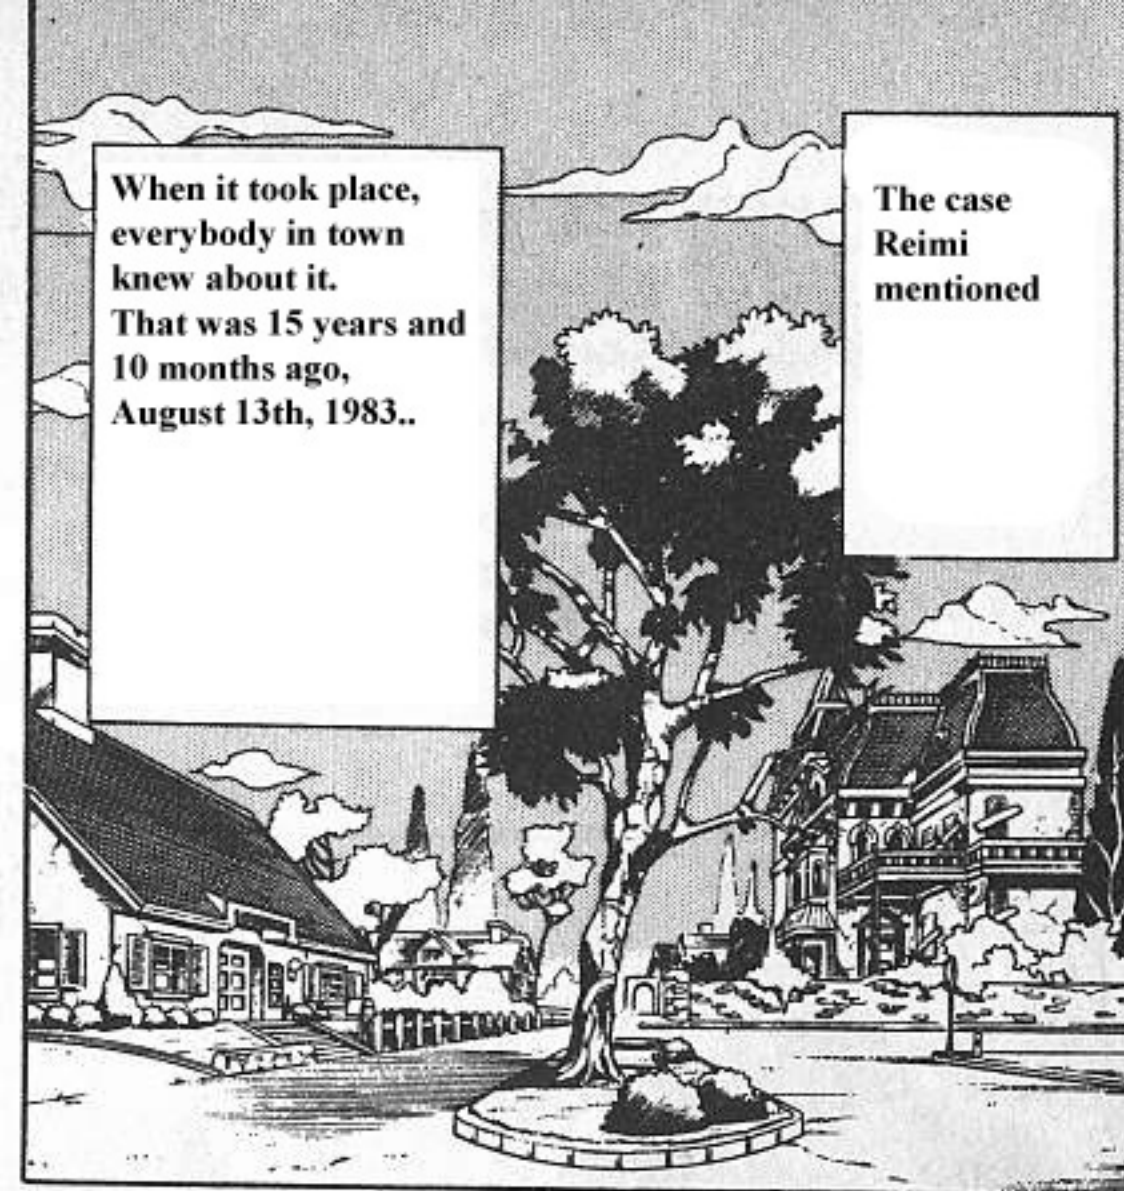

Can't find any evidence at the scene, can't figure out the motive of the murderer... this case has become on-hold since then

When it took place, everybody in town knew about it. That was 15 years and 10 months ago, August 13th, 1983..

The case Reimi mentioned

The Reimi Sugimoto you mentioned, is she on this picture? she's the ghost?

Okuyasu, you believe it?

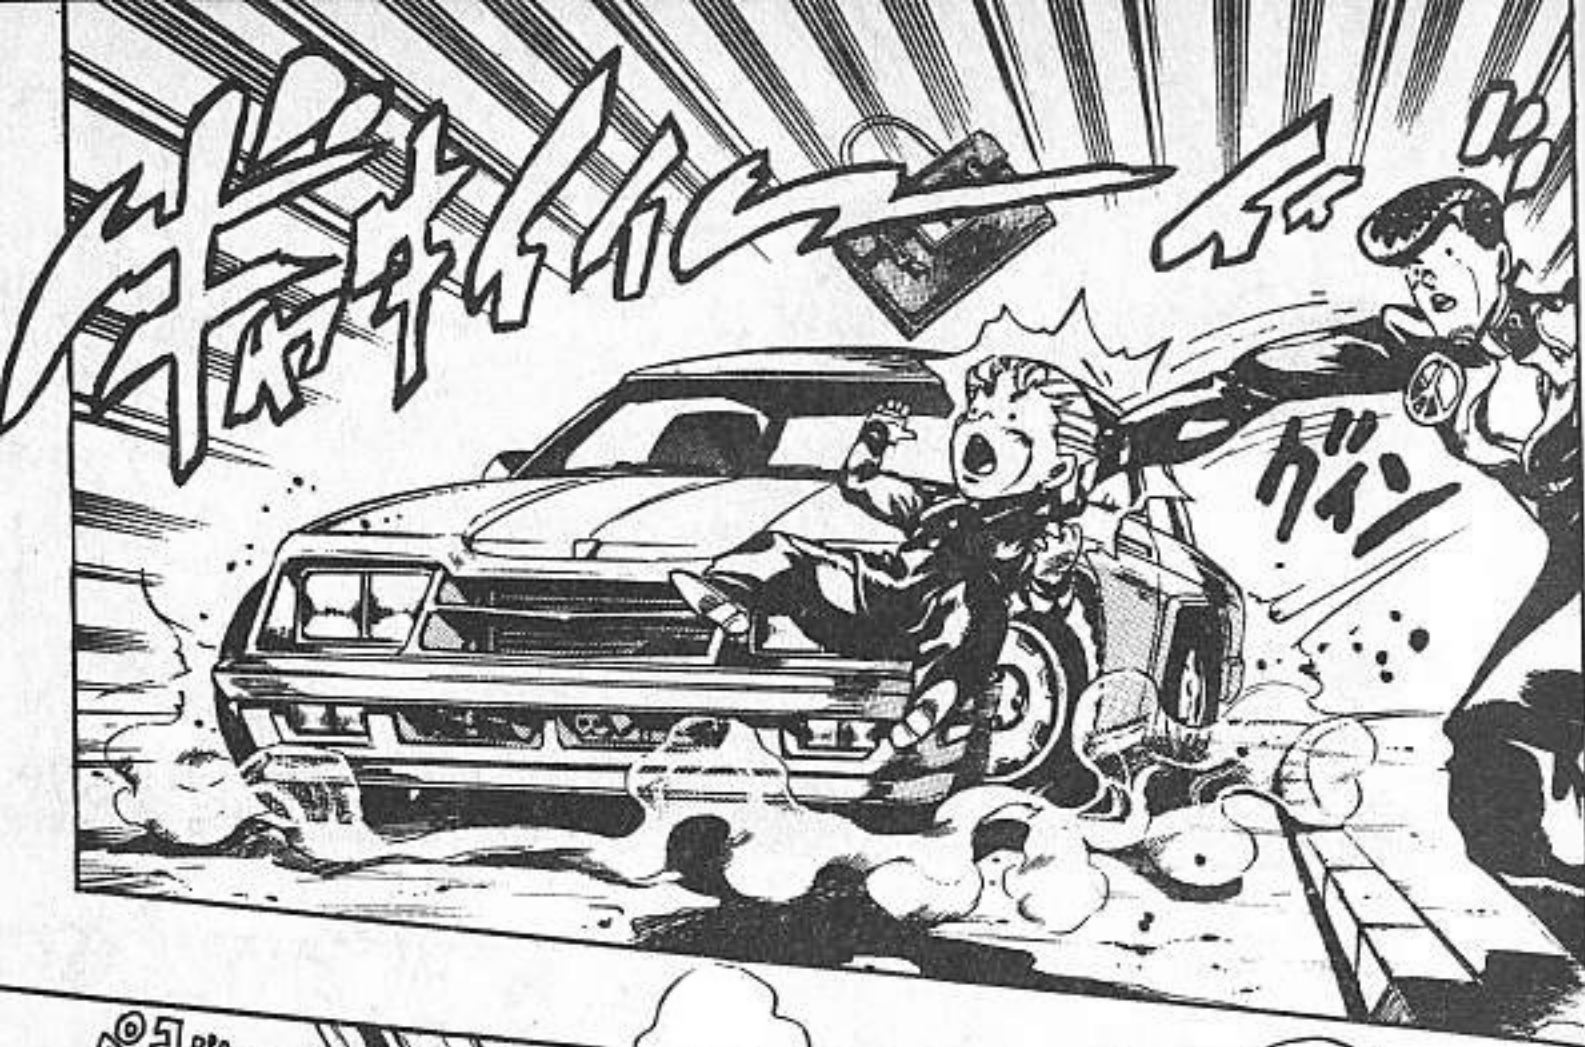

I believe what you said.

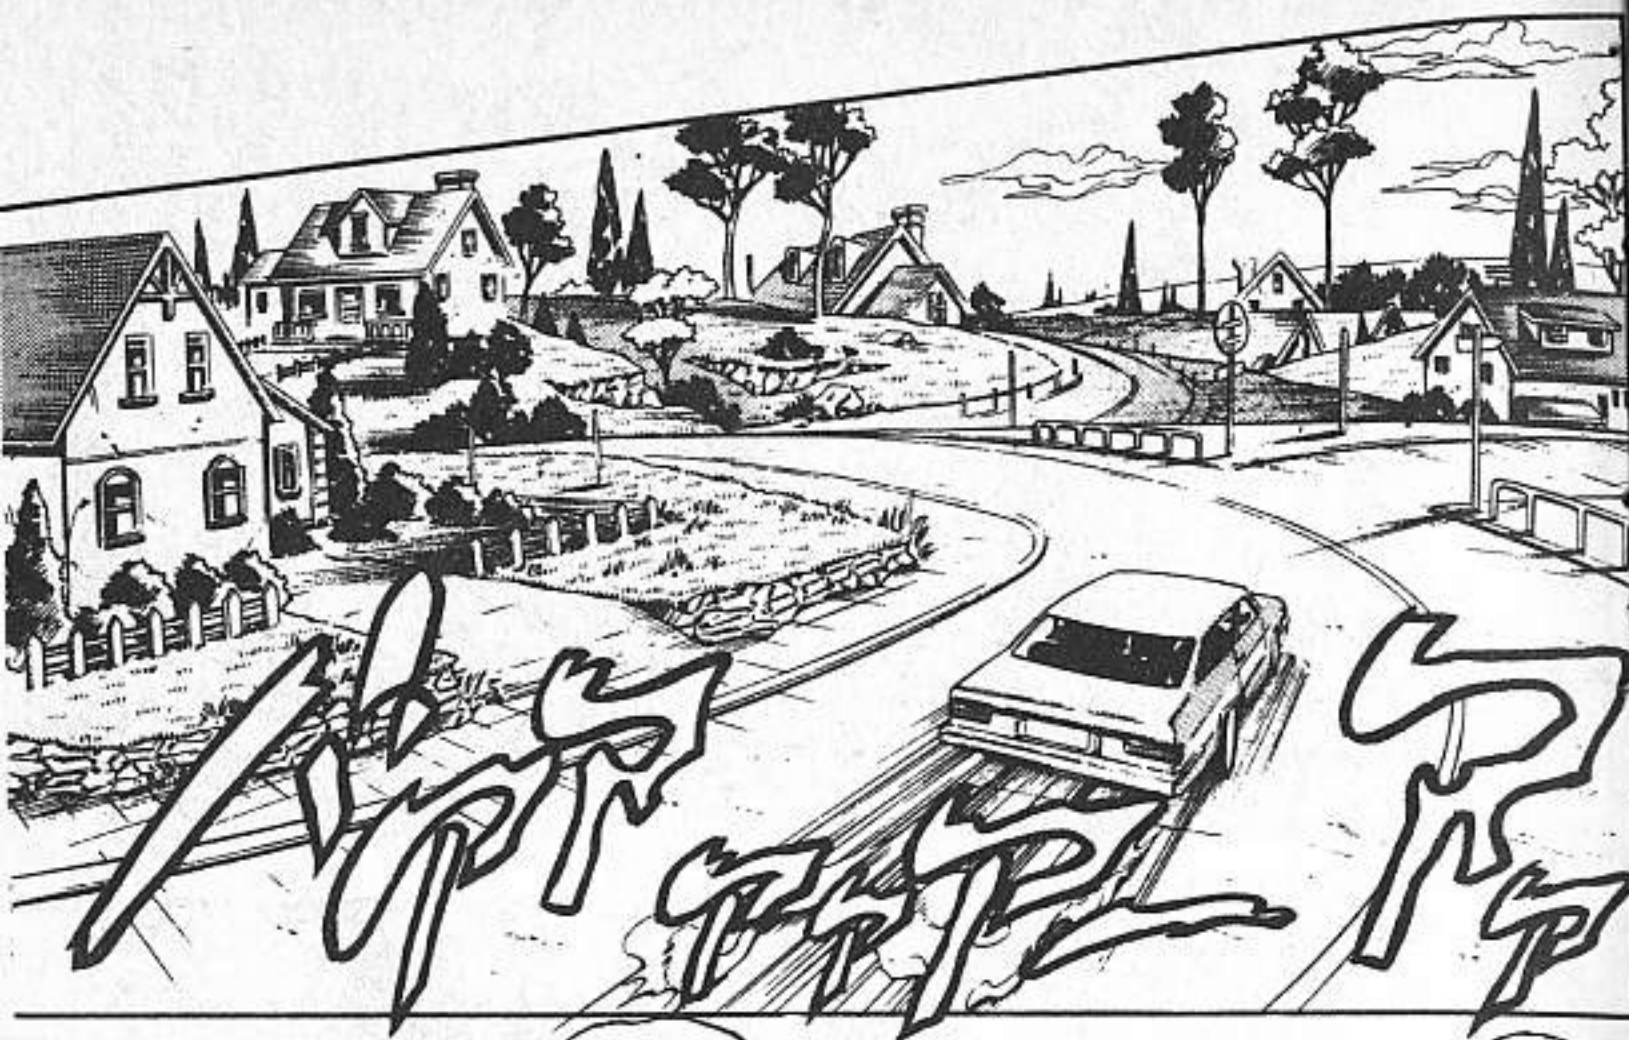

I know

I AM NOT LYING!!!

I REALLY SAW A GHOST!

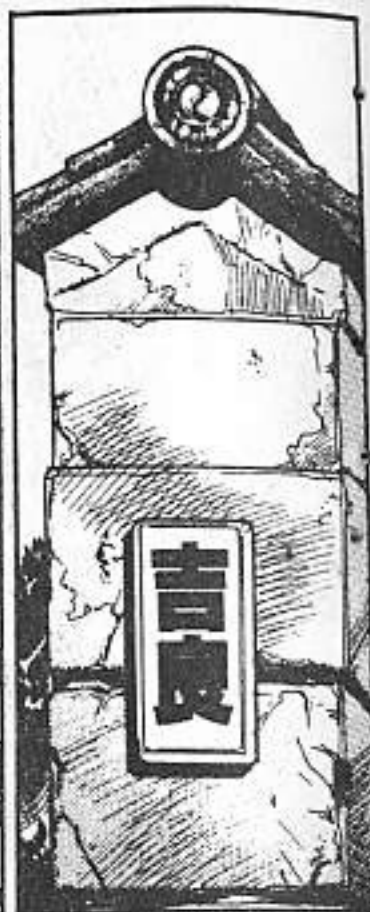

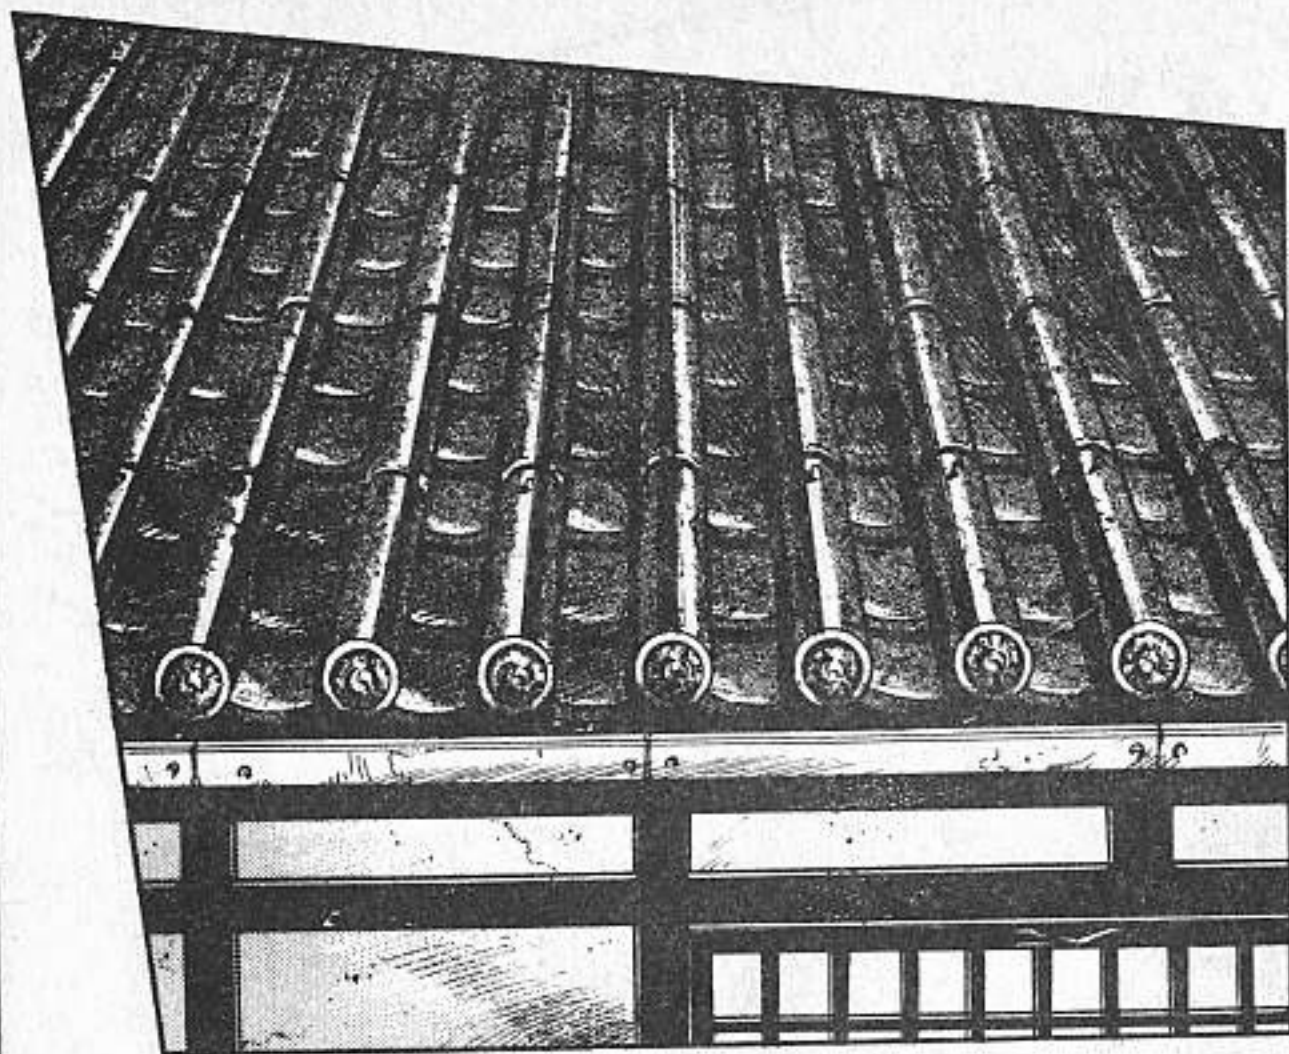

My family used to be very rich, but at the time of my grandpa, our family went broke, so the only house was left, and I gotta go to work everyday.

The starting point of Duwang, I have a vacation house here.

should be around here...

It's too big....
I will go change it
...

Oh,
in the bag...

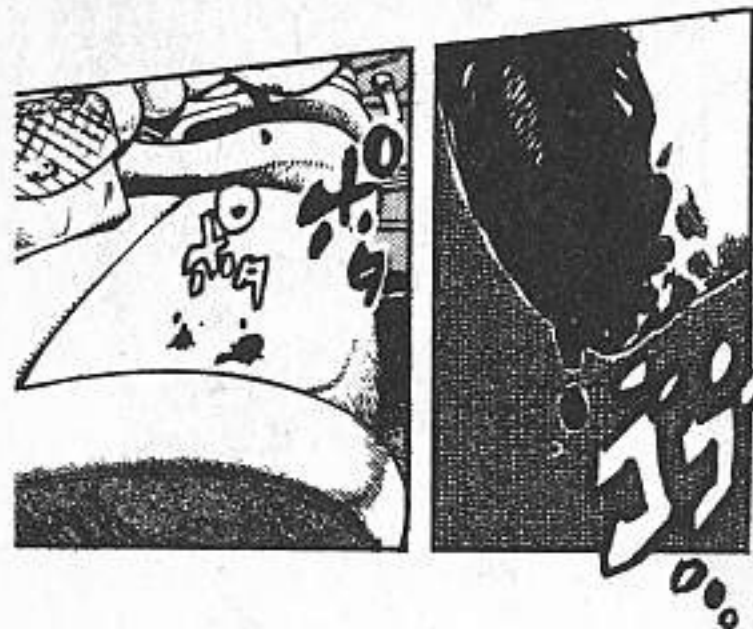

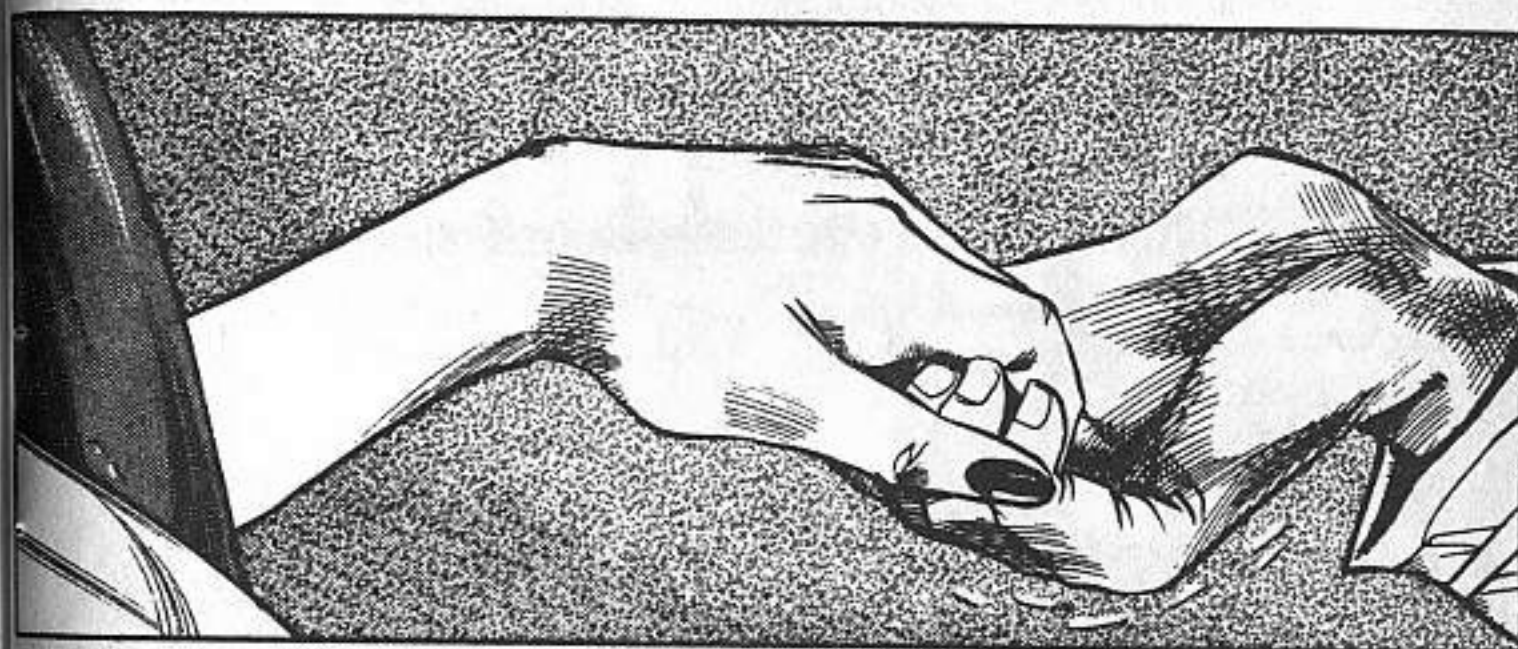

... 啊 啊 ...

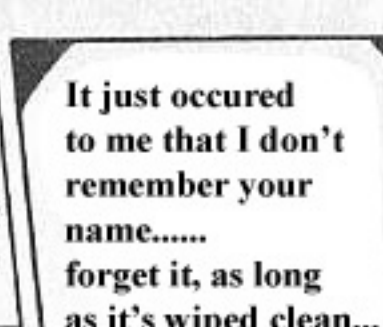

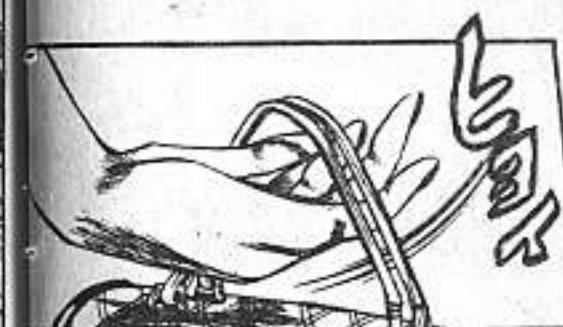

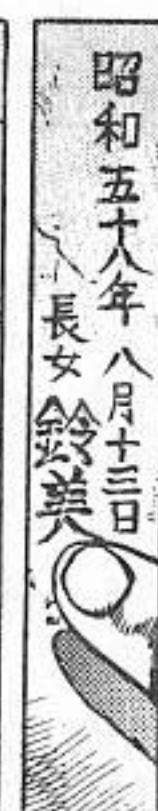

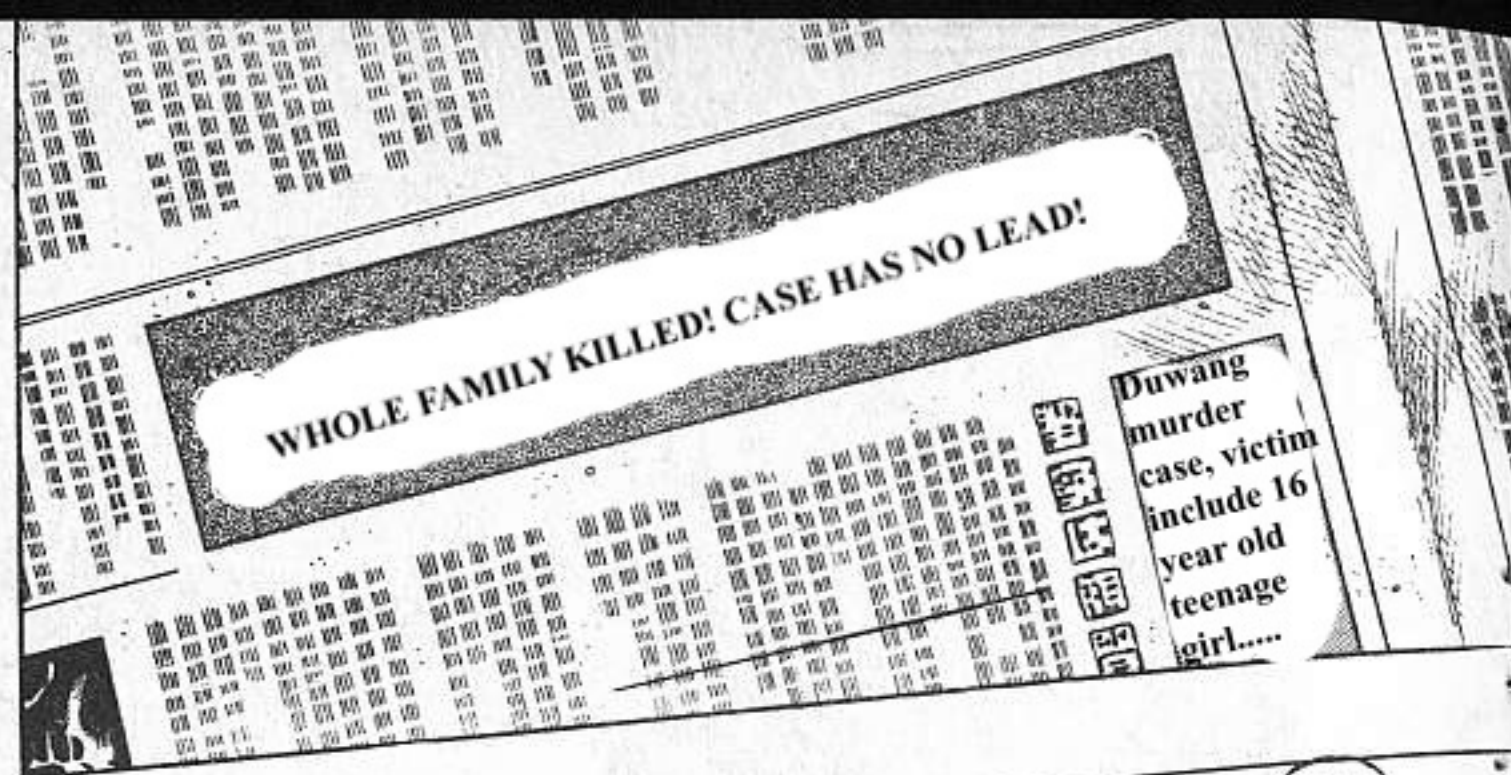

Where is
the watch
I bought
you?

hey

tomorrow

you know what you are talking about?

my family?

I came to Reimi's tomb...

what are you saying?

I came here just to collect some information

you don't remember?

no...

I mean didn't come to Reimi's tomb for that?

my parents?

Your parents didn't tell you that?

You were only 3, 4 years old, you might not remember that thing.

Rohan...

you are the one being different, what are you saying?

it seems we are talking about different things.

wait a minute

It is really you! I read about you in the magazine! heard you moved to Duwang recently! that's great.

哇啊

You are the comic writer Rohan Kishibe?

oh, maybe you are...

hmm.... I remember the Sugimoto family incident.

your family....

my grand son collect your comic, they are pretty good...

嗯 嗯

you know me?

heh...

You know about my childhood?

I don't mean that.

You were only
4 years old then..

So they took
you to the
Sugimoto's for
babysitting.

you were
the only
survivor

that night,
you staid at
Sugimoto's
overnight.

at the
scene?!

I was that
day....

don't be like
this, just tell
me, don't make
me make you
to....

your parents
didn't want
you to know, you
think I should
say?

hmm...
looks
like

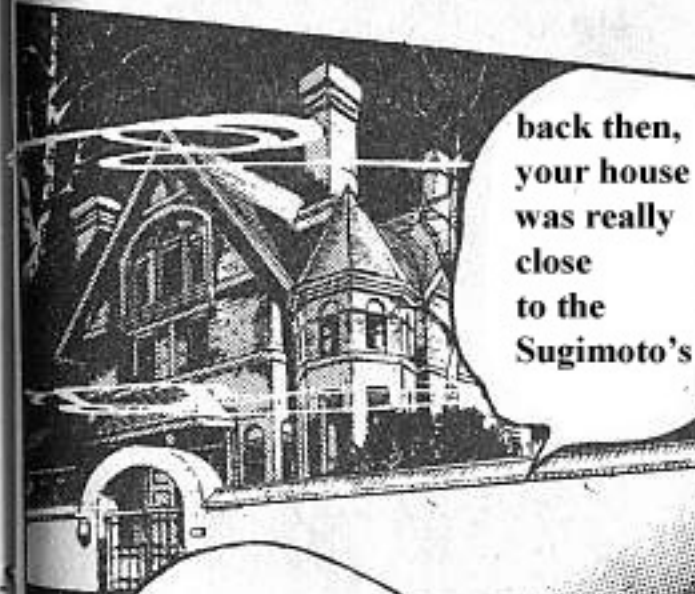

wait, you mean...

THAT THING IS
REALATED TO
ME?

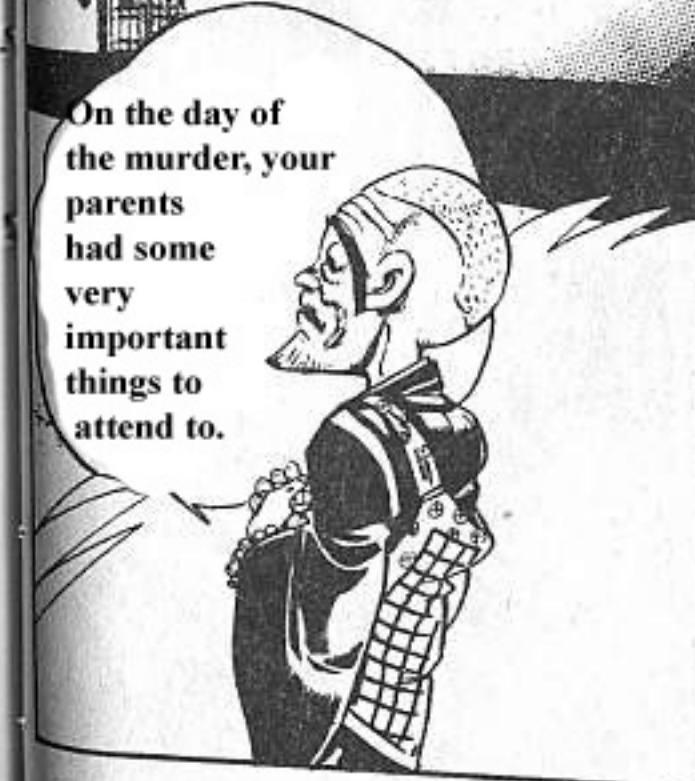

Maybe
because this
thing is too
serious, they
don't want to
impacce the kid,
I understand.

back then,
your house
was really
close
to the
Sugimoto's

On the day of
the murder, your
parents
had some
very
important
things to
attend to.

I think the
god of fate is
planning all this,
maybe I am
destined to let
you know

ok... this took
place 15 years ago.
and you are a
grown man, it
should be ok.

yea, one of them went into the bank, I followed it here..

that's enemy's stand, hurry and kill it!

Look Josuke

Didn't you say you gonna kill it?

It didn't attack you?

I was buying a coke, and it rushed passed me from under the pop machine

no, it did not attack me.

I meant how did it attack YOU?

I know...

I heard the same thing in the bank

They seem to not afraid of us.

They must be working on something, when I saw it, it was under the pop machine laughing, and saying "found it!"

of course! It scared me a little so I dropped the can, damn, all spilled....

my money

Damn who the hell are you!

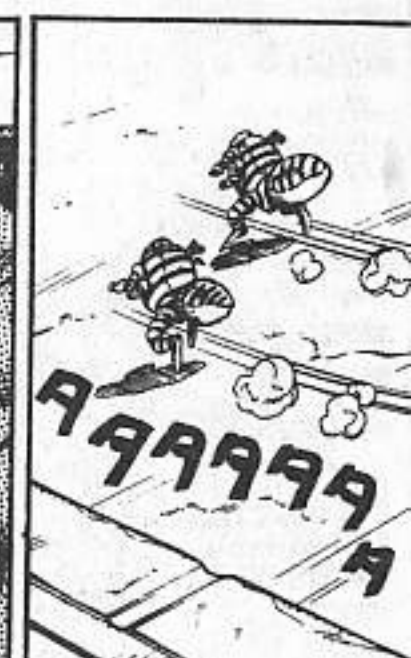

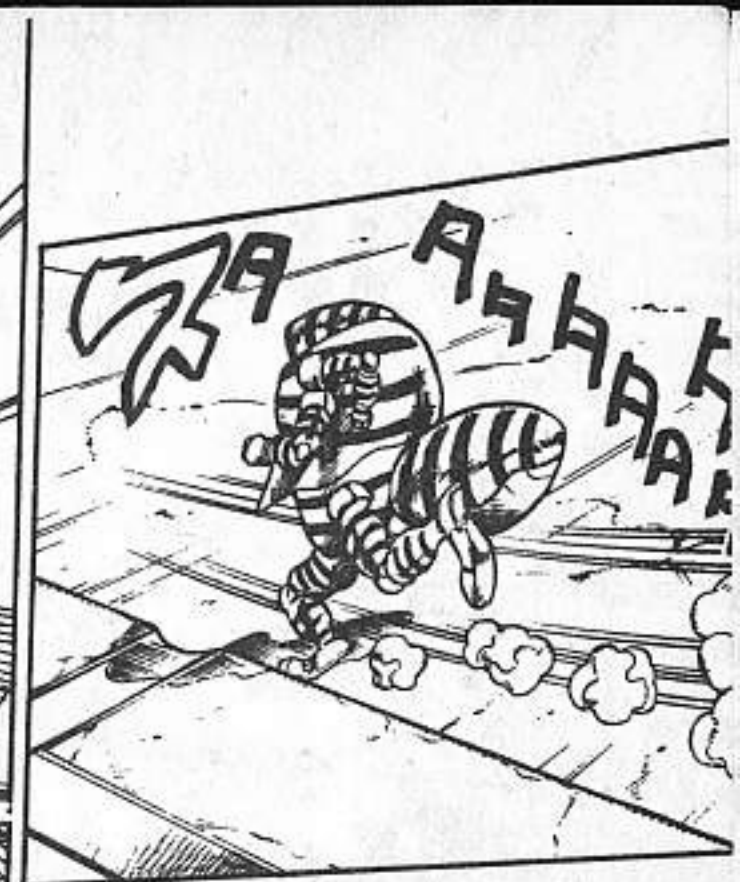

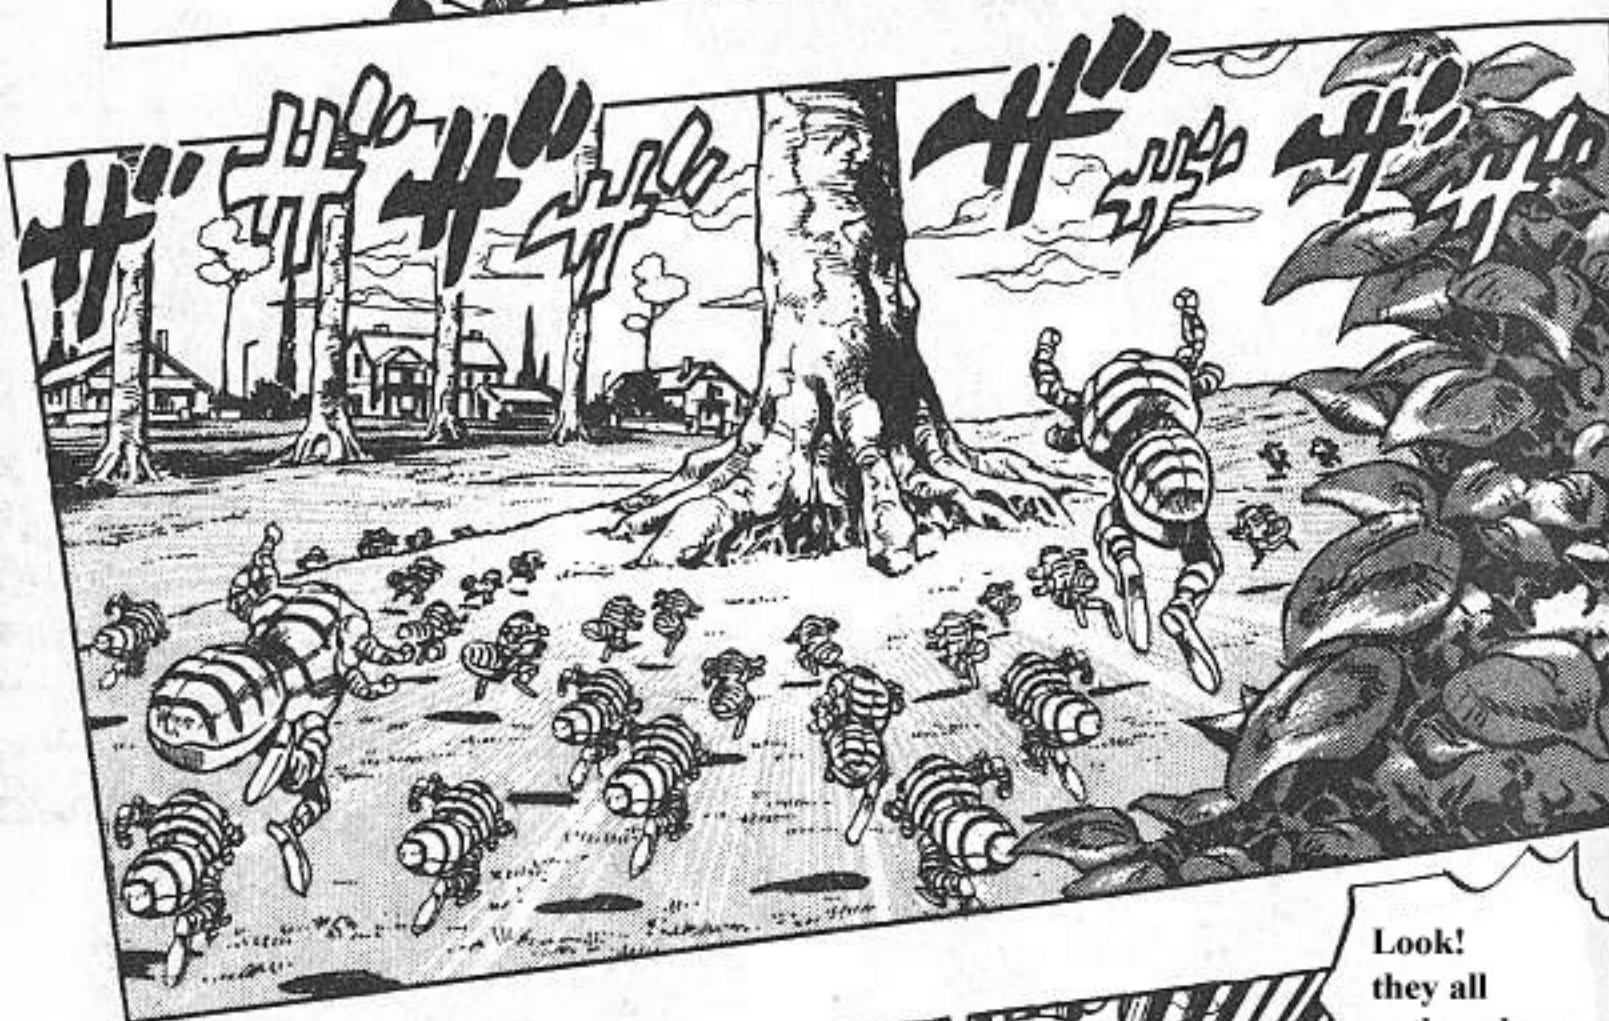

DON'T WRONG, I AM GONNA KILL YOU!

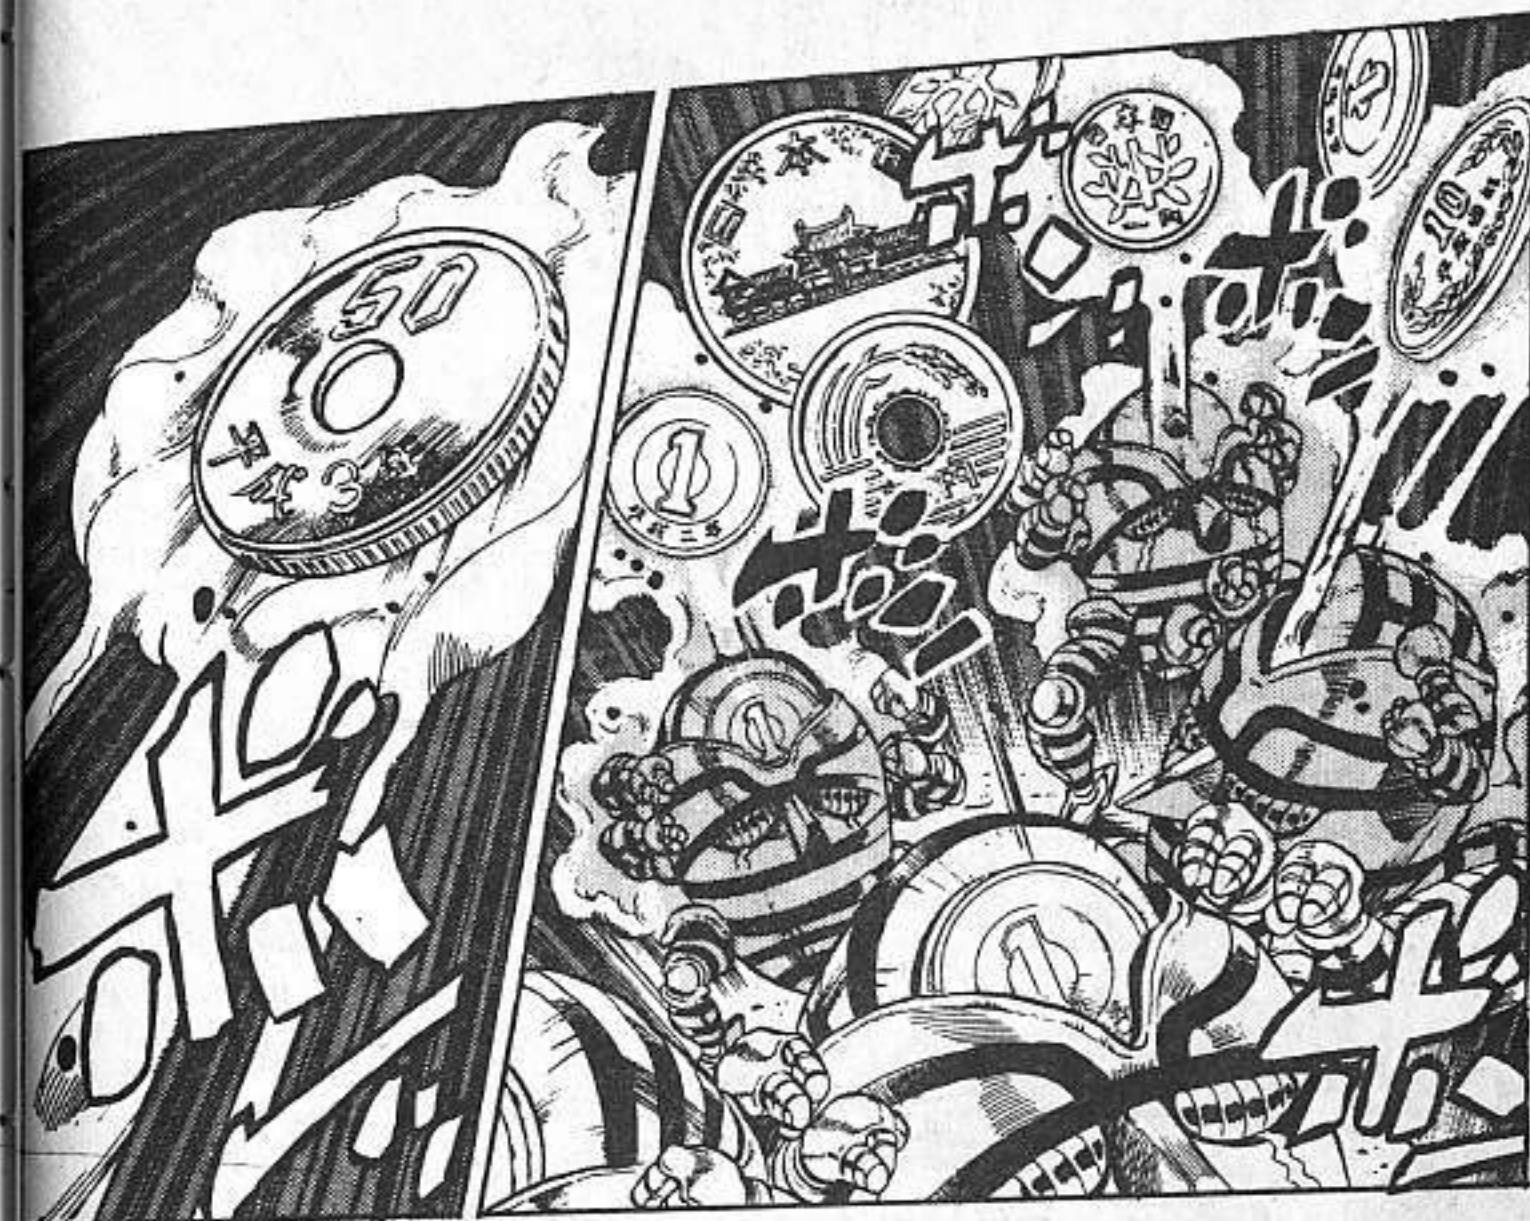

eh? Josuke

OKUYASU!

嘻嘻!

嘻嘻!

if the amount is lower than 100 yen, we don't have to take it to the station, so in the drainage pipes, under the pop machines, there must be a lot of money.

the officer at the police station said

You so smart!

it is....

everyone got a little, together we have a lot...heh

you all got some money.

that one took one yen from under the counter back at the bank.

these 10 yen coins are real, those stands are collecting coins!

another
word...

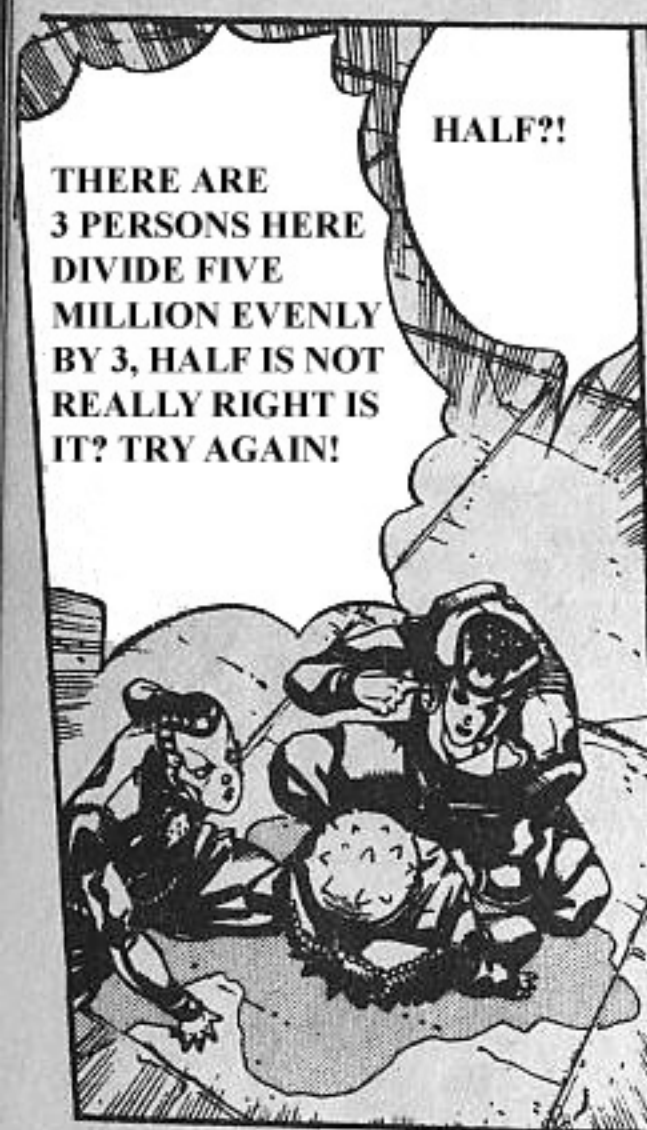

it's Okuyasu...

MASTER!

and who took the check from your hands just now?

right, It is me Master Josuke

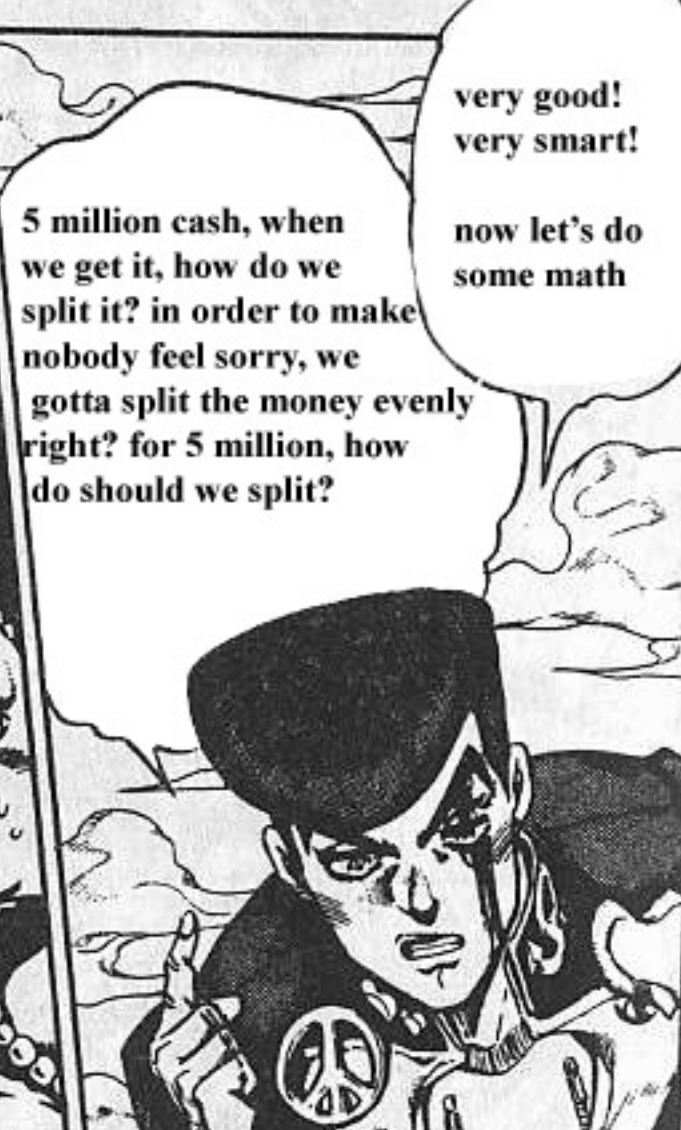

HALF?!

THERE ARE 3 PERSONS HERE DIVIDE FIVE MILLION EVENLY BY 3, HALF IS NOT REALLY RIGHT IS IT? TRY AGAIN!

嗯

give you guys half

5 million cash, when we get it, how do we split it? in order to make nobody feel sorry, we gotta split the money evenly right? for 5 million, how do should we split?

very good! very smart!

now let's do some math

No, I was wrong

if not for you guys, we won't get that winning ticket

but....

I collected all the ticket

split it into 3 even shares

唔呀! 唔呀!

喔喔喔

Ok done

say that person's name, who can restore that check?

who's stand can restore that check?

it's.... Josuke

FATTY

From now you gotta be careful

Your Harvest did go to find all those pieces but even if they retrieve all those pieces, you still don't have a check for 5 million

master Josuke...

YOU HAVE TO CALL ME MASTER JOSUKE!!

NOT LIKE THIS!!

My Harvest
I have about
500, you each
have 1, so let's
split it up
502 more shares

If everybody
feels sorry,
then we
should count
the stands
in too...

finally got
the cash!
this is like
dreaming!!

Yahoo!
of course!

wait,
evenly...

feel
sorry

YOU
WANNA
DIE?!

hey!
SAY AGAIN!

3 SHARES!
